Respected Sir,

We, the undersigned Hair Dressers of the City of Mysore, most humbly beg to represent our grievances for your kind consideration and favourable orders

That with reference to the notice dated 3rd January 1935 of the Mysore City Municipality published in the issue of the Mysore Gazette dated 10/1/35 regarding improvements of Hair dressing saloons in the City of Mysore, we represented our grievances to the President, City Municipal Council, Mysore on 6-2-35 and 11-2-1935 and had prayed for the cancellation of the Municipal License fee, but no endorsement was granted

With reference to the Government notification No L 1959-ML 47-34-87, dated Bangalore, 9-12th September 1935 publishing the Draft Rules in connection with the levy of Municipal License fee, we beg to represent our grievances as follows -

As the civilization is increasing day by day, the people are advancing in every respect and are finding way to minimise their expenditure Almost every one from a personage of low class to High class in Mysore is in the habit of taking self-shave, thus the barbers' profession is very much deteriorated

Just to suit the environments of present day circumstances, and to be in the upto date fashion, we have to equip ourselves with all necessaries and furniture with a huge investment but not with proper returns Besides this, we have to pay shop-rent and Municipal taxes apart from our maintenance Since we have to earn in our profession and meet all the above expenses, it has been a difficult

problem to solve now-a-days and we are living hand to mouth on account of dull in our profession Such being the case if we are made to obtain a Municipal license by paying the fees, it would be a very irksome charge on our slender resources

Under the above painful circumstances, we most humbly pray that your honour will be pleased to consider the grievances of the poor and helpless petitioners ard thus pass orders for tne abolition of Municipal License on our shops, for which act of kindness we shall feel highly grateful
